

CREATION OF RESIDENTIAL UNITS

Efficient creation of the apartments involved in the system via a Residential Units worksheet :

Dynamics 365 For Real-Estate offers the possibility to create the residential units on the basis of templates, so that the privatives are supplemented with all the necessary accounting data for later invoicing.

- ✓ ENTER COST ESTIMATE
- ✓ WORK PROGRESS INDICATION
- ✓ CALCULATING QUOTITIES
- ✓ DETERMINE SALES PRICES & MARGINS
- ✓ SALES PRICE SIMULATIONS

OWNERSHIP STRUCTURES

Dynamics 365 For Real-Estate offers the possibility to record the ownership structure of the purchasing parties.

If necessary, this structure can be adjusted late in the sales process.

- ✓ SALES PROPOSAL
- ✓ REALIZATIONS
- ✓ CLASSIFICATION OF PROJECTS AND ACCOUNTS
- ✓ STATISTICS AND REPORTING
- ✓ AND MUCH MORE...
