Customer Success

A security software company reduced TCO and improved performance of their main SaaS product by migrating from VMware to Azure with Logicworks. The Logicworks team:

- ▶ Conducted an Application Portfolio Assessment and TCO Analysis of their existing private cloud environment

- ▶ Designed a PCI-compliant Azure environment

- ▶ Now provides ongoing managed services and 24x7 technical support

Stibo Systems migrated their Master Data Management platform to the cloud with Logicworks, who helped them to:

- ▶ Achieve rapid deployments on Azure, leveraging Logicworks' cloud automation expertise

- ▶ Reduce onboarding time for a client from weeks to 48 hours

- ▶ Get 24x7 support for their mission-critical infrastructure

"We wanted a partner with longevity, focus, and a desire to pursue a long-term partnership. Logicworks stood out from the competition through their knowledge, dedication, and culture."
