

Full setup and start

A solid start with Gluu. Includes identifying your critical processes, drawing your 'best-practice' process and training of core team and process owners. After this, you are ready to proceed on your own.

Get your core team and process owners started with Gluu...

When we finish this three month learning process, your team is fully equipped to work with processes and continuous improvements in practice – with Gluu as the platform.

€3.900,- including...

Guided 3-month online* 'best-practice' process with:

- **2 half-day workshops***
- **2 online trainings*** (total 5 hours).
- **Support for own tasks** between training and meetings.
- **8 hours** of optional online **follow-up** meetings.
- **Materials and training** videos for internal use.

* We also offer on-site training with the additional of travel time and cost. Just ask!

Core team gets...

- ✓ Project plan and support.
- ✓ Training and assistance in setting up your process hierarchy.
- ✓ Your own best-practice process example with visual work instruction.

Process owners get...

- ✓ Process owner training.
- ✓ Training to ensure continuous process improvements.
- ✓ Up to 3 follow-up meetings.

Executives get...

- ✓ Analysis of process maturity and gap before and after.
- ✓ A trained and self-sustained process team that is able to continue on their own.

From an evaluation at the utility company Verdo:

"They are present, professionally skilled, flexible and helpful."
