

Microsoft Dynamics Business Central for Nonprofits

Rapid Deployment

The landscape of consulting is changing significantly. Customers are less interested in services and more interested in solutions. At Axtegrity Consulting, our philosophy is quite simple, perfect a solution and deliver it to the marketplace quickly and reliably, eliminating unnecessary costs.

Axtegrity can offer a Rapid Deployment of Standard Financials solution for Business Central & D365 Sales for Nonprofit customers at a fixed cost of **\$10,000.00**. The project duration is estimated at 8 weeks after project kick-off.

Included in the Rapid Deployment of Business Central for Nonprofits solution are the following deliverables;

- Financial Management (including AP, AR & Banking)
- Standard financial reporting
- D365 CRM for Nonprofits Integration & set-up
- Fundraising/Marketing Campaigns
- Track Pledges/Giving
- Grant Management
- Family/Donor Database
- Volunteer Management
- Dashboard
- Data conversion (Members, Vendors, open AP, open AR, GL (1 year of history), Chart of Accounts)
- Web/live remote training

Not included in the Standard Distribution solution are the following:

- 3rd Party integrations
- Customizations

Benefits of our Standard solution

- Rapid Deployment
- Predictable Costs
- Less Customization Requirements
- Higher Success Rate
