

Increase visibility across your organization to make faster, more informed decisions and deliver better customer experiences.

WHAT WE OFFER

Dynamics 365, Dynamics GP, Dynamics SL, Office 365 & Power BI

- ✓ Connect & grow your business with an all-in-one business management solution
- ✓ Accelerate financial close and report with accuracy, while ensuring compliance
- ✓ Manage budgets and monitor progress of your projects with real-time data on available resources
- ✓ Streamline and optimize sales with an integrated quote to cash experience
- ✓ Benefit from out-of-the-box insights with AI to predict cash flow and deploy proactive campaigns
- ✓ Adapt easily to new tools that leverage your existing investment in Microsoft technology

WHAT OUR CUSTOMERS ARE SAYING

"Admiral Consulting group has been an invaluable member of our technology team. They are responsive and very easy to work with. I can count on them to deliver timely and complete solutions with a minimum of disruption to our busy operations."

- Dave Wirsching, CTO, Throttle
