

Azure Consultation Package: Azure 101

Who's it for?

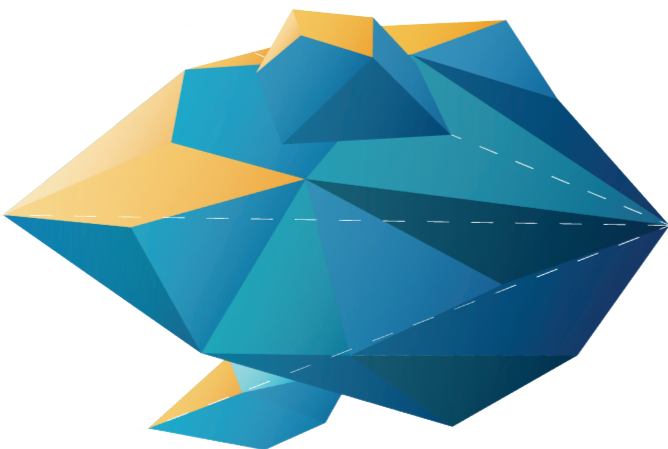

Ideal for large businesses that are in the early stages of looking at cloud.

The package in a nutshell...

Helping the IT and business leaders in your organisation gain a better understanding of Microsoft Azure.

What will my business get from this?

A free educational workshop that provides an overview of Microsoft Azure, how it compares to alternatives, how it can support business transformation and how to start an Azure project.

What's included?

We will:

- Provide an overview of Microsoft Azure.
- Give you a comprehensive comparison to Azure alternatives.
- Outline how Azure can support business transformation.
- Give advice on how to kickstart your Azure project

Our fearless growth consultation packages are designed to help you safely accelerate your adoption of Microsoft Azure. Whether you're at the very early stages of considering Microsoft Azure, or you've been using it for a while and want to scale-up and optimise. We have a range of packages to help your business unleash the full benefits of Azure.
