

A graphic of two parallel orange diagonal lines representing an opening quotation mark.

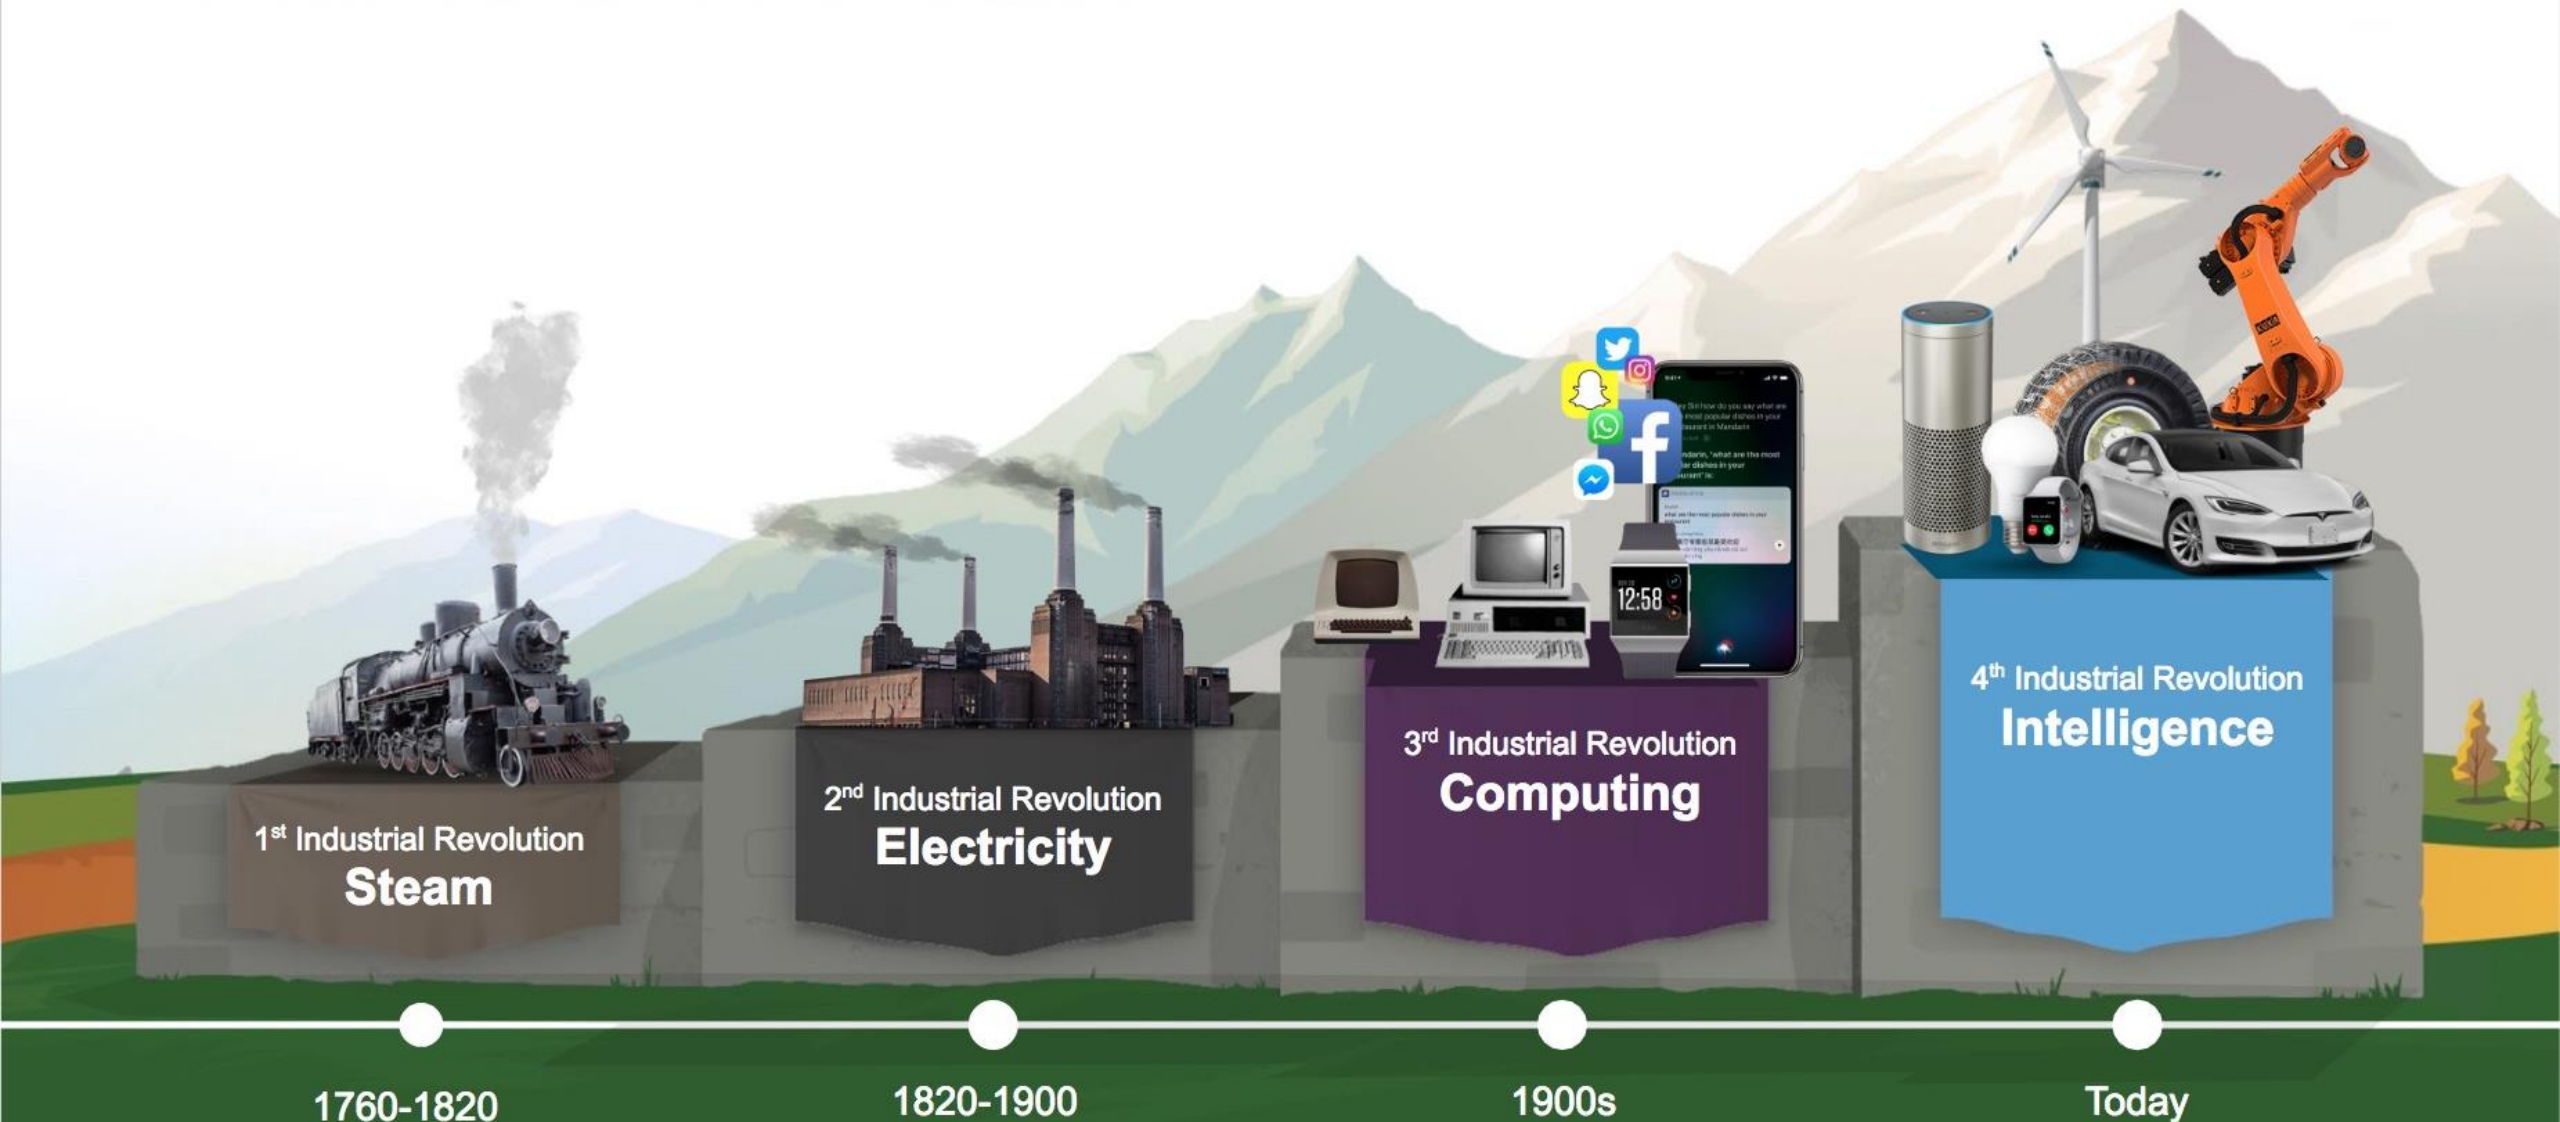

**Fortune favours
the bold.**

A graphic of two parallel orange diagonal lines representing a closing quotation mark.

Aristotle

FOURTH INDUSTRIAL REVOLUTION

Today each organization must learn how to build its own digital capability. Because now every company is a software company, every company is a digital organization.

Satya Nadella
CEO, Microsoft

Successful organizations of tomorrow will turn data into **knowledge and action**

SOFTWARE DEFINED BUSINESS

NEWSIGNATURE

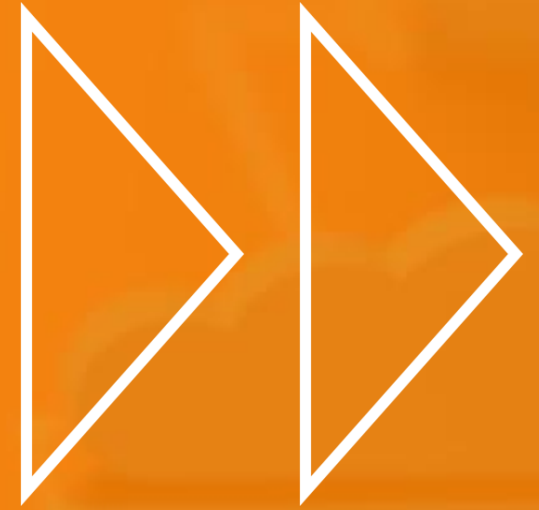

Doing so, however, requires you to build a **digital operating model**

Public

A stylized icon representing a public cloud. It features a central cloud shape filled with a complex, pixelated pattern of various shades of blue and white, resembling a cityscape or a dense network. This cloud is enclosed within a circular frame that has a segmented, metallic appearance. The entire graphic is set against a dark blue background with a subtle grid and a network of glowing white lines radiating from the central circle.

Public

The disruptive impact of DX is about to be felt by every industry as enterprises... massively scale up on DX initiatives.

Only 27% of today's businesses have a digital strategy.

FORRESTER®

Greater reliance on digital brings new challenges. By 2017, 30% of IT budget will be spent on risk, security and compliance.

Gartner®

Internet of Things (IoT) will serve as a growth engine of Digital Transformation.

Forbes

86% of CEOs consider Digital their #1 priority.

By 2019, 40% of digital transformation initiatives will be supported by Cognitive/AI capabilities, providing critical on-time insights for new operating and monetization models.

DIGITAL TRANSFORMATION: THE MARKET BUZZ
