

CLLOUD MIGRATION READINESS ASSESSMENT

Leveraging the power of Microsoft Azure Cloud solutions, our teams are able to design and implement modern cloud architecture for our clients, supporting them in their "Roadmap to Cloud"

Start your cloud adoption plan with Cluster Reply:

2-weeks assessment activity to analyze applications and related infrastructure. The assessment's outcome will be a "Cloud Readiness Report" identifying a possible migration plan to Azure.

AGENDA

Week 1: Assessment

- Interview meetings to understand organization requirements and related applications
- In-depth analysis and assessment of as-is application and infrastructures

Week 2: Cloud Readiness Report

- Report Cloud readiness of analyzed applications
- Design target cloud architecture and infrastructures
- Design migration process for each application
- Recommendations & Roadmap
- Release of documentation.

Please note that the price associated with the offering is limited to 2 weeks and includes 1 person's travel. Price might vary based on the actual length of the assessment and the required number of travels (if demanded by customer).
