

## D365 Commerce: eCommerce 2-hr Readiness Assessment

*In two hours or less SHEA Global can determine if D365 Commerce is a good fit for your organization's eCommerce needs.*

*Our eCommerce experts will meet with you to discuss your eCommerce needs and recommend an appropriate way forward.*

### Agenda:

- Identification of business goals
- Identification of key business processes
- Discussion around volume and revenue expectations and cost drivers
- Discussion around current pain points

### Deliverables:

- Recommendation on whether D365 Commerce is a good fit
- Recommendation on alternate strategies if appropriate
- Evaluation and estimated costing for a D365 Commerce implementation
- Discussion around next steps and implementation plan

SHEA Global is a Gold Certified Microsoft partner, and a market leader in implementing stand alone and integrated e-Commerce solutions based on the Microsoft D365 platform. We have experience with Microsoft and partner solution offerings and can help you determine the best choice for your eCommerce solution based on our assessment.
