

AZURE CLOUD ADOPTION FRAMEWORK (CAF) LANDING ZONE

10TH MAGNITUDE

10th Magnitude's Azure Landing Zone solution allows organizations to quickly deploy a cloud infrastructure aligned to Microsoft's Cloud Adoption Framework. The Azure CAF Landing Zone delivers best practices based on production-proven components to get your Azure implementation started quickly.

Azure Expert MSP

ENGAGEMENT OPTIONS

Choose an option that matches your organization's needs to assess and deploy a comprehensive infrastructure and begin migrating and building in Azure.

ASSESS

Landing Zone Assessment

Assess your current Landing Zone deployment to identify gaps or areas for improvement to expedite your journey to the cloud. Includes review of key components: design, networking, governance, optimization, security, and operations.

2 WEEKS / \$25,000*

DEPLOY

Standard Deployment

Launch your small to medium sized business into the cloud. Includes base workload templates, Azure networking, core governance and best practices, up to 2 regions, and 10 Azure subscriptions.

4 WEEKS / \$50,000*[†]

Enterprise Deployment

Deploy a full-featured enterprise landing zone. Includes all Standard Deployment components, as well as ExpressRoute implementation, and key security and policy examples to scale for a global enterprise. Up to 4 regions and 20+ Azure subscriptions.

8 WEEKS / \$100,000*[†]

DEPLOYMENT PHASES

PHASE 1

Design Review & Planning

Collaborative workshops to review landing zone design and address required parameters for deployment, including tooling, timeline review, team roles, and initial assignments.

PHASE 2

Deploy & Configure

Leverage 10th Magnitude's library of artifacts and personalized automation templates to deploy infrastructure. Set up and configure Azure subscriptions, networking, and governance strategy.

PHASE 3

Manage & Operate

Implement management and operational best practices and enable for Azure Expert Managed Services, our 100% USA-based team of Azure Experts providing 24/7 monitoring, management and support.

* May qualify for up to \$25,000 in Microsoft subsidy. Contact us for details.

[†] Cost does not include the monthly cost of Managed Services, which is calculated based upon Azure monthly consumption.
