ENGAGEMENT DETAILS

10th Magnitude's Azure Migration solution combines artifacts, delivery approach, and engineering capabilities built on years of Azure experience, thousands of customer engagements, and thousands of migrated workloads.

ENGAGEMENT BENEFITS

Reduced Cost & Time to Market

Gain operational efficiencies through well defined activities, steps, and performance measurements.

Tested & Proven Best Practices

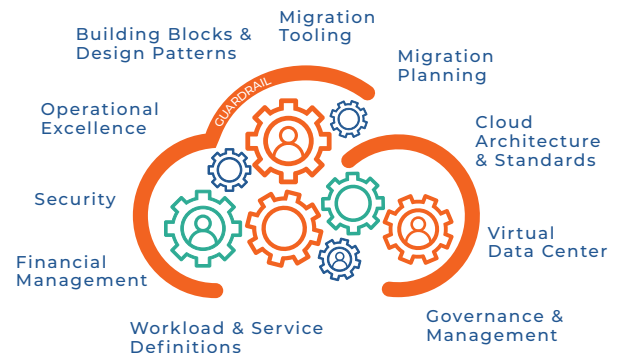

We've been doing migrations at scale since 2010. Put our repertoire of best practices to work for you.

Peace of Mind

Our full-time CMC team is USA-based with tenured expertise and an award-winning track record.

Speed & Scalability

Gain established repeatability and scalability from the start to empower your company with speed and agility.

COST

\$50,000*

**Estimated price provided is based on lift and shift of fewer than 100 servers, actual timeline and cost based on detailed scope of engagement. You may be eligible for Microsoft subsidy. Please contact us to inquire.*
