

5 Day Proof of Concept – Offer Details

Offer Summary:

Interested in implementing D365 for Sales but want to know it will work for your business and matches your vision? A proof of concept ensures the solution will meet and exceed your needs.

Offer Description:

This Proof of Concept is designed to bring your vision to life! Andosi will work with your team to enable a trial instance of Dynamics 365 for Sales, Customer Service, Field Service OR Project Service Automation, configure it with your data, and lead a conference room pilot for your team.

Offer Price: \$6,000 (Regular price is \$8,000)

AGENDA:

DAY 1 - ASSESSMENT & DATA COLLECTION

- Discussion of envisioned processes with key stakeholders of your organization.
- Assessment of those processes and feasibility of utilizing Dynamics 365
- Gathering representative data

DAY 2 - SETUP TRIAL & CONFIGURATION

- Demo System Configuration

DAY 3 & 4 - FINALIZE CONFIGURATION & REVIEW

- Finalize configuration
- Load Demonstration Data
- Internal review & remediation, if needed

DAY 5 - CONFERENCE ROOM PILOT

- Pilot/Demo to company
- Discuss next steps

DELIVERABLES:

- 30-day Demonstration system that shows how your company's processes could work in using Dynamics 365 online and mobile.
- Written description of the processes provided.
- Walk-through of the demo system to your team.

Note: Custom Development and/or workflows are not included in this offer.
