

Digital Marketing OneView

A single view of all your digital campaigns

The measurement of overall digital campaign effectiveness across a multitude of online channels is a challenge many Marketing Departments face.

Digital Marketing OneView unifies this into a single view, facilitating the measurement of the return on investment per campaign and against a range of online engagement, conversion and cost-effectiveness targets.

Analytical Repository of all digital marketing campaigns

Transparent Marketing ROI

Unprecedented Insight to overall campaign effectiveness

Consolidated view across entire digital portfolio

Establish a Single View

- Twitter, Facebook, LinkedIn and more in a single hub
- Automate process of producing campaign dashboards
- Drill through capability to individual channels and campaigns

360 degree view of Digital Marketing

Gain Digital Insight

- Discover which digital channel works best
- Measure campaign effectiveness against KPIs
- Better understand digital interaction with your content by campaign

Power BI Visualizations for Campaign ROI

Seamlessly Integrate

- Seamlessly integrate with your CRM system
- Track and measure campaigns against actual sales

Ability to connect to Salesforce and Dynamics for accurate ROI

Marketing leaders spent more on their websites, digital commerce and digital advertising than on other categories in 2016. These top three categories of 2016 spend illustrate that, while digital has become integral to all marketing activities, pure digital marketing investments remain a top priority. "

- Gartner CMO Spend Survey

Digital Marketing OneView unifies all of your online Marketing Campaigns

Automated Data Collection

- Seamless data collection from all of your digital marketing channels including Ad-words, Google Analytics, Twitter, LinkedIn, Facebook, YouTube, MailChimp, Campaign Monitor, Website and more
