

AZURE MIGRATION PROGRAM

Gold
Microsoft Partner

Accelerate Your Cloud Journey with HMB & Microsoft

If you have on-premises .NET Apps, or are thinking about migrating workloads to the Azure platform, HMB can unlock significant Microsoft funding to subsidize the cost. **In some cases, the Azure Migration Program can unlock up to \$200k in Microsoft ECIF.**

How Will AMP Benefit You?

AMP Cost Benefits

- Azure Migrate Program funding
- Azure Hybrid Benefit
- Extended security updates
- Azure credit offers
- Incorporated cloud training

Cloud Migration Benefits

- Free Azure migration tools
- Accelerated cloud migrations
- HMB cloud migration expertise
- Fast Track for Azure assistance
- AMP assessment review

HMB is one of only 15 companies nationally certified in the Migration of Modern Web Apps and approved for the Azure Migration Program.

Supported Projects

- .NET migrations to Azure App Services
- Window Servers and SQL Server scenarios

How to Qualify for AMP in Three Easy Steps

HMB will nominate eligible organizations for AMP and through approval be granted End Customer Investment Funds (ECIF) to launch your cloud migrations.

HMB Pre-Evaluation

HMB will ensure eligibility and submit nomination to Microsoft
