

Need for an Upskilling Assessment Portal

- Employers want to ensure employee skills do not become obsolete
- Benchmark employee skills against industry standards
- Conduct competency mapping initiatives alongside your digital upskilling programme
- Identify and map the right person to the right job
- Ensure successful digital transformation by upskilling employees at the right time

The MochaUpskill - Skills Assessment Portal comprises of the world's largest skills assessment library. It includes 50+ Next-Gen skills assessments among other essential assessments such as Aptitude, IT job roles, Business skills, Coding, and Domain skills.

All your upskilling needs are addressed in one place wherein employees are empowered to take preferred skills assessments remotely and identify their competency levels.

How MochaUpskill Portal works:

Step 1 - Employees login to MochaUpskill

Step 3 – Choose an assessment for preferred skill

Step 4 – Receive a badge for successful completion of assessment

Step 5 - Take a retest if you are not happy with the test scores

The screenshot shows the Interview Mocha dashboard with a 'Retake Test' modal open. The modal asks: 'Are you not satisfied with your test score of Spring Framework? You have one more attempt left to take this test. Do you wish to re-attempt?' with 'No' and 'Yes' buttons. The background shows a list of assessments: Spring Framework, Spring Boot, Data Structures, and Microservices. Each assessment has a 'Download Report', 'Retake Test', and 'Share Report' button.

Assessment	Status	Completed Date	Questions	Score	Time Taken
Spring Framework	Completed	20 March, 2020 11:21 AM	20/20		
Spring Boot	Completed	21 March, 2020 10:56 AM	20/20	17/20	20 min/20 min
Data Structures	Test Left	22 March, 2020 01:21 AM	18/20	9/20	18 min/20 min
Microservices					

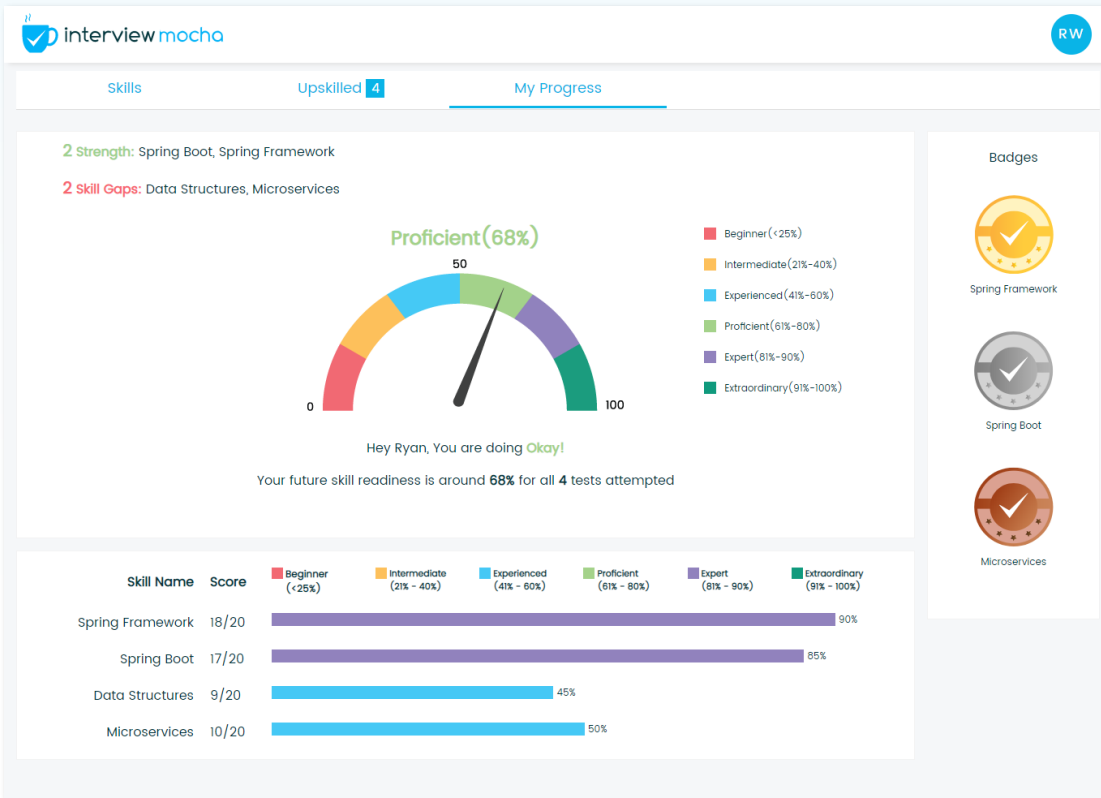

Step 6 - View Dashboard for status of all assessments taken

The screenshot shows the Interview Mocha dashboard with the 'Upskilled' tab selected, showing 4 upskilled skills. The dashboard lists four assessments: Spring Framework, Spring Boot, Data Structures, and Microservices. Each assessment has a 'Download Report', 'Retake Test', and 'Share Report' button.

Assessment	Status	Completed Date	Questions	Score	Time Taken
Spring Framework	Completed	20 March, 2020 11:21 AM	20/20	18/20	20 min/20 min
Spring Boot	Completed	21 March, 2020 10:56 AM	20/20	17/20	20 min/20 min
Data Structures	Test Left	22 March, 2020 01:21 AM	18/20	9/20	18 min/20 min
Microservices	Terminated	23 March, 2020 03:21 AM	20/20	10/20	10 min/20 min

Step 7 – Comprehensively analyze your performance in “My Progress” tab

Step 8 – Share the performance report with key stakeholders of the upskilling programme
