P The future of project management is here

The new Project experience

Microsoft project management—reimagined

Power Platform is one of Microsoft's biggest bets

Microsoft 365, Dynamics 365, and Power Platform, on top of what we're doing with Azure, is the core of what we are doing as a company.

> Satya Nadella on Jan. 18, 2019¹ CEO, Microsoft

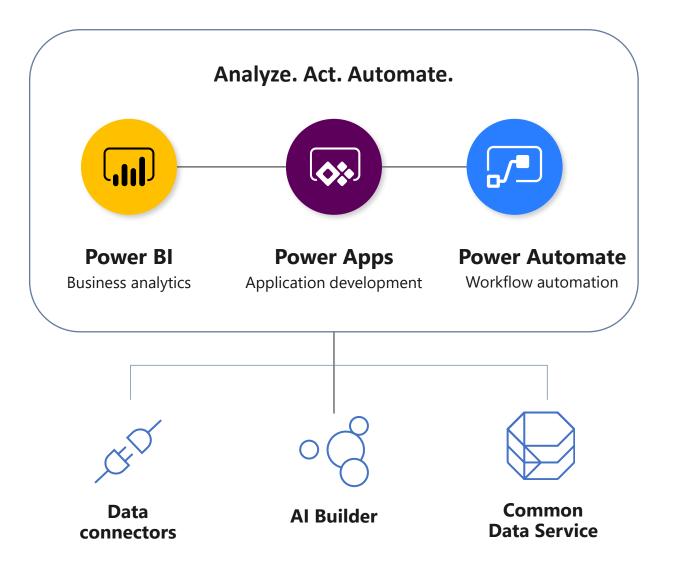

Microsoft Power Platform for PPM

One low-code platform that spans Office 365, Dynamics 365, and standalone applications
