SERVICE OFFERINGS

-  We will advise you on your Azure governance structure, how to set up your cost management and provide tagging recommendations.
-  We ensure that milestones are met, resources provided and problems are escalated.
-  Based on a service level agreement tailored to your needs you are backed by an experienced team. Escalation path to Microsoft included.
-  Reporting: Abnormal cost reporting, monthly or annual forecasting of Azure expenses, chargeback from costs to other departments and projects.
-  Optimize your Azure expenses: Cut costs with recommendations for downsizing resources based on usage data or by turning off inactive resources.
-  Draw on technical and architectural expertise to unlock the potential of new or customized Azure services.

WHY COMPAREX?

-  We are focused on the key elements
-  We help you put your best foot forward
-  We play it safe
