

IAM for Success: 7-day assessment

Condatis, in partnership with ITC Secure are offering an end-to-end identity assessment focusing on how your organisation secures and manages internal and external identities.

We will run a series of workshops using a combined approach and provide you with a scoring system derived from Microsoft best practices to identify your current state.

The assessment is combined with a prioritised set of actionable recommendations and the benefits to your organisation, highlighting the Azure products and features already paid for that you can leverage further.

The assessment includes:

1 x ½ day workshop | Identity Fundamentals on Azure.

1 x ½ day workshop | Your identity journey in your business context.

1 x ½ day workshop | Your future roadmap whiteboard solution design.

1 – 2 day documentation | IAM Strategy for Success document.

1 – 2 day documentation | Identity Maturity Scoring Model documentation.

condatis

Condatis is a UK leader for bespoke external identity solutions that streamline IT infrastructures to drive growth, reduce friction and improve security.

We are a Microsoft Gold Partner and specialise in Azure Active Directory B2C consultancy and custom integration.

Condatis is one of only four global partners chosen by Microsoft to assist customers with Azure AD Verifiable Credentials implementation.

We support our customers' technical team to guide them through strategy, design, deployment, and technology support.

Our tailored solutions facilitate innovation for our clients, helping build safer digital services and journeys.
