

Drive Employee Engagement and Wellbeing

Discover how you can deliver value to your intranet and enable hybrid working through Microsoft Viva. Enable employees to easily discover relevant communications, communities and tools, as well as managing their time and emotional wellbeing.

Why Antares Solutions?

Antares Solutions can help you envision your desired state - one that brings people, data, and applications together in a single customized dashboard. Our team will work with you to ensure your existing modern SharePoint intranet supports Viva Connections and design a dashboard that brings together people, information and systems. We will help you begin your employee wellbeing journey by adopting Viva for personal insights so your people can manage their time, connections and health effectively.

Get started today with
Microsoft Viva
Connections + Wellbeing

- Evolve your intranet into a central hub with easily accessible content and targeted updates powered by Microsoft Teams
- Plan for a customized employee dashboard providing quick and easy access to company resources from anywhere
- Improve employee wellbeing and hybrid working through adoption of personal insights.

How Antares Solutions can help you in your journey:

Available services depending on your needs and readiness

Enable and Adopt Employee Experience

- Showcase and **envison** the Viva Connections experience on PC and Mobile
- **Create beautiful, dynamic employee experiences** that are accessible across PC and mobile devices.
- **Set up your existing modern SharePoint intranet** to support Viva Connections
- Deploy the Viva Connections app to your organisation
- **Drive adoption** with 2 x training sessions and a quick start video to embed Viva Connections in your employees' day to day work
- Get ready for Viva with our [#Space Intranet](#) or strategize with a [Viva Realisation Assessment](#)

Integrate with employee dashboard

- Identify opportunities to **connect employees in all roles, including frontline workers**, to content and experiences.
- **Build an employee dashboard** to streamline visibility into key metrics and employee resources.
- Up to 5 days to leverage the power of Adaptive Card Extensions (ACE) to **enable critical LOB Apps**, processes and information for Connections-driven employee experiences.

Enhance wellbeing with insights

- **Showcase and workshop** personal insights and opportunities for positive employee wellbeing impact
- **Strategize your wellbeing initiative** by identifying challenges, success criteria and align with employee priorities.
- **Deploy Viva Insights** app to all employees in your organisation
- **Drive adoption** to embed Viva Insights through awareness activities with your leadership group, a quick start video and an infographic.
- Get ready for next steps with Manager Insights
