

# KTL Solutions

Customized Business  
Central Packages

3-Week Implementation  
for Base Package

Every organization is unique. Customize a Business Central package for a perfect fit.

## The Challenge

### **A Perfect Fit**

One size does not fit all. The Microsoft Dynamics 365 Business Central Core Finance package makes a great foundation for the additional options you need.

## Ideal Solution

### **A Tailored Package**

With KTL's customizable Business Central package, you choose only those add-ons that work for your organization. We'll make sure all the solutions integrate seamlessly.

## Desired Outcome

### **Full service**

KTL provides quick implementation, data migration and employee training as needed for your customized Business Central package. We can also provide discounted pricing on Dynamics 365 subscriptions.
