

1-Stop Supply Chain Finance e-Marketplace

ABOUT FreightAmigo

FreightAmigo = FreightTech + FinTech, connects global traders, shippers, financial institutions, insurance companies, and logistics service providers on one platform through AI, Big Data analysis, OpenAPI, and more to a One-stop Supply Chain Finance eMarketplace.

See what customers are saying:

"With FreightAmigo's digital supply chain finance platform, we can manage our operation with high visibility and full automation. Even 1-stop to settle customs and import duties in different continents."

—— Foxconn, World-leading provider of electronics manufacturing services ranked 24 in Fortune Global 100 2018
