

Authorize and manage from **OverSign.**

www.overcastmx.com

Overcast
Up your business.

Make your internal processes digitally efficient.

With **OverSign**, we digitally transform the way you authorize and sign your internal documents quickly, securely and affordably. All from Teams!

Forget travel, couriers and even physical documents.

Request, authorize, and sign any document from Within Teams.

No more physical documents and huge archives.

Sign your documents digitally, paperless, and within a click of a button.

Your information and documents will be secure.

Manage your requests without intermediaries, directly, quickly and securely.

No more confusion or loss of information.

Access your history of generated requests at any time.

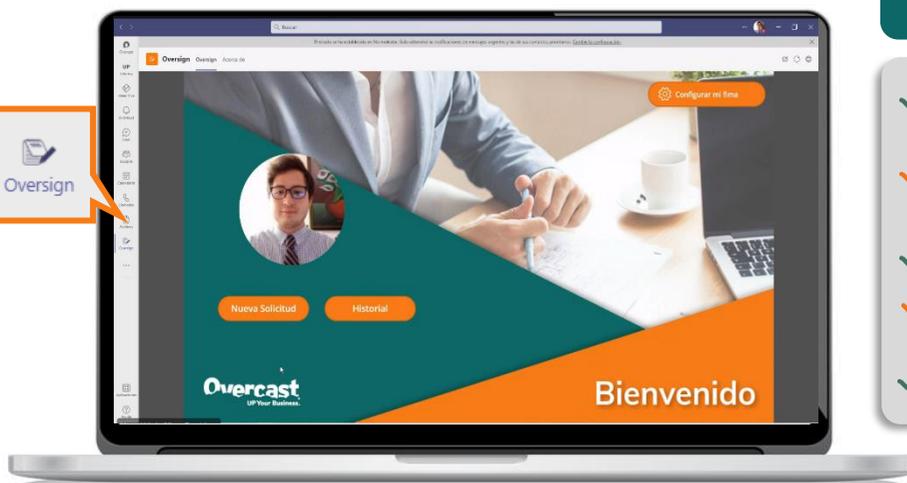

OverSign is backed by Microsoft Security Services.

Overcast accompanies you in the adoption and use of OverSign:

- ✓ Custom application to the client.
- ✓ Training in the adoption of new technologies.
- ✓ Technical support services.
- ✓ Promotion of correct use of the app within collaborators.
- ✓ Adaptability to mobile devices.

The information contained in this document is confidential and for the exclusive use of those copied in the email and others authorized to receive it. Any distribution or copy thereof is strictly prohibited.
