Technology

Non-Profit Org.

We have different companies sizes, starting from 30 employees up to more than 6000 employees.

Some of our customers was not only a success story but also a case study that included many challenges in processes and procedures automation.

We have customers in more than 15 countries across the MENA region

Labor-intensive organizations

Labor-intensive organizations face big challenges in maintaining discipline and ensuring that company's attendance policies are followed accurately.

Companies with large number of blue collars have challenges in maintaining their attitude and discipline in the work environment. They also have challenges in ensuring government compliance in dealing with them.

Construction companies, Retails, manufacturers, and security companies are the most common that faces these challenges.

MOHR has an honorable list of these types of customers in Egypt and Saudi Arabia
