Jasperactive™
MOS Online

Microsoft

Jasperactive MOS Online is truly a game-changer. It can be used by anyone, anytime, and anywhere. Specifically formulated for certification readiness, Jasperactive MOS Online is web-based learning for Microsoft Office with tailored exercises for Word, Excel, and PowerPoint.

Courses Available: Microsoft Office 2019 / O365

Learning Pathway

Jasperactive MOS Online's learning pathway builds experience and knowledge through hands-on activities and exploration.

Benchmark
A Benchmark determines skill levels and builds a prescribed course using only the specific lessons required and can be customized to shorter or longer durations for easier use within class time.

Lessons
- **Basic Level** - Performed live in the app, using live functionality in web apps.
- **Advanced Level** - Performed using interactive exercises.
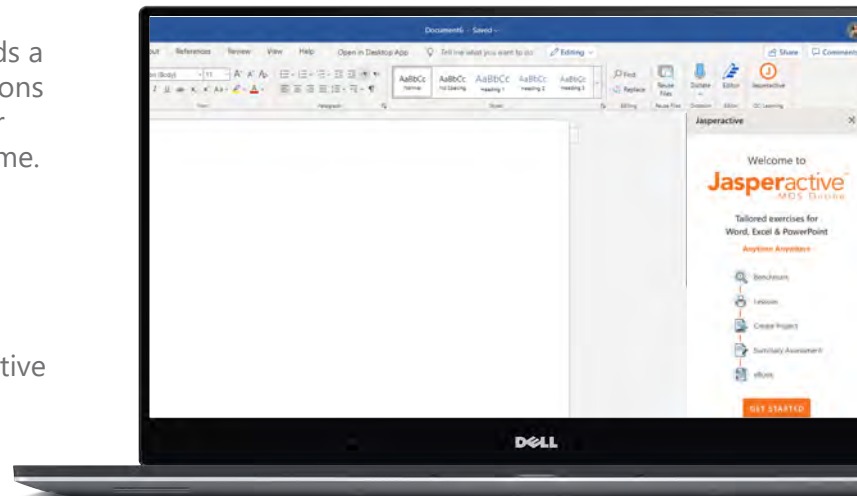

Create Project
A project-based exercise to combine skills and creativity. Standalone documents are uploaded and scanned to check for appropriate functionality use.

Summary Assessment
A post-assessment validates the learning pathway and measures Microsoft Office Specialist certification readiness.

Accessible on Chromebooks, Mac, and More!

Bite-Size Exercises

10-15 hour courses, streamlined to focus on certification readiness.

Jasperactive™

Jasperactive Empowers Teachers

When it comes to learning, one size does not fit all. With Jasperactive, teachers can choose how much they want to be involved in the learning process.

Save Time with Resources for Teaching
- Downloadable Teacher Resources
- Automatic grading.

Manage Class Groupings
- Students can link to teachers.
- Create class groups and assign specific courses.
- Ability to customize timings for the benchmark and summary assessment for learning accommodations.

Detailed Reporting
- Individualized, exportable group reports.
- Track student progress and course completion.

Remote Learning!

Jasperactive is conducive to all types of learning environments and schedules. Resources and exercises are easily accessible from a remote environment, allowing students to continue and excel in their studies from wherever they are.

Immersive Reader

Immersive Reader is fully functional in Jasperactive MOS Online, engaging every learner and promoting an inclusive classroom environment.

Support

The Jasperactive Support team deploys and supports teachers every step of the way with virtual and in-person training, resources and technical support.
