

SSPA Preferred Assessors List

Supplier Security & Privacy Assurance (SSPA)

Introduction

The SSPA Program Guide is the comprehensive guide to all aspects of the SSPA program, including information on how to complete the Independent Assessment requirement. This separate supplementary list to the SSPA Program Guide allows for updates throughout the year.

Please contact the SSPA support team at SSPAHelp@microsoft.com for help with the Independent Assessment requirement.

SSPA Preferred Assessors list

Companies on this list have been vetted by Microsoft Procurement to perform a Microsoft Supplier Data Protection Requirements Independent Assessment. These companies understand the Microsoft Supplier Data Protection Requirements, will provide competitive pricing, and are qualified to perform an SSPA assessment.

Note You can use a different auditing company to perform this assessment if they meet the requirements in the SSPA Program Guide.
