Time, Material and Resource Registration for jobs

Description:

This application is only available in: Danish

MOBILE TIME REGISTRATION

The mobile timesheet will make your work with time and resources interconnected - from the man in the field to the finished invoice. The timesheet provides information directly into Microsoft Dynamics 365 Business Central.

EASY FOR EVERYONE

The timesheet is always in your pocket if you have a mobile device on you. Easy to fill out for the employee, easy to approve for the project manager and easy to translate into a correct invoice for the bookkeeper.

EVERYTHING IS INCLUDED

The timesheet makes it easy for the man in the field to remember it all. Step by step it guides you through projects, hours, materials and machine time.

SAVES TIME

All approved registrations lands directly in your Microsoft financial system without any detours. It saves time and mistakes - and gives an accurate overview of the entire project process.

BETTER RESULTS

The digital timesheets support a professional project management. Nothing is forgotten and you can send a correct invoice to the customer faster.
