Rent Payment History

#### What your competition is doing

06

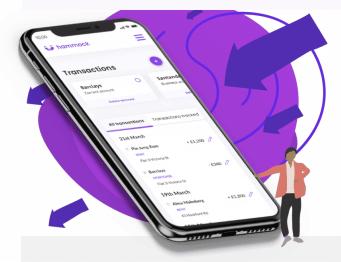

# **Direct Line Insurance**

Fully launched Landlord app for several years. Basic mobile only product that contained reminders for landlords when insurance was due.

Currently app is unavailable, we believe it is being refreshed and relaunched

🎲 hammock

backed by 🗾 AVIVA

## Aviva Insurance

Through Aviva's venture arm, they have backed new startup - UseHammock.com.

A property management product which is similar to Landlord Studio

Other large insurance agencies and banks, including Foremost Insurance and Chase Bank have forged partnerships with property management companies already. Now is the time to launch your white-labelled product.

#### **Exclusive White Label**

- Full exclusive access to a white labelled Landlord Studio product for your market.
- Full branding that tells customers it is your product and gives you brand recognition as an innovative leader for landlords.
- Access to analytic data as per partnership model.

#### Partnership

- Non-exclusive access to a white-labelled Landlord Studio.
- Sharing of analytical data that will be useful to quickly provide quotations. Including rental yield, occupancy rate, maintenance costs, insurance expiry, insurance costs, delinquent payment rate.

#### Free or discounted to your customers

- Provide the app free, or offer a discount code to your customers.
- Seen as a perk and being helpful by customers.
- Improve retention by improved relationships.
- Pay per lead / renewal.
- Potential "Stage 1"
