AGENDA

01 Overview

02 Definition

03 Key Benefits

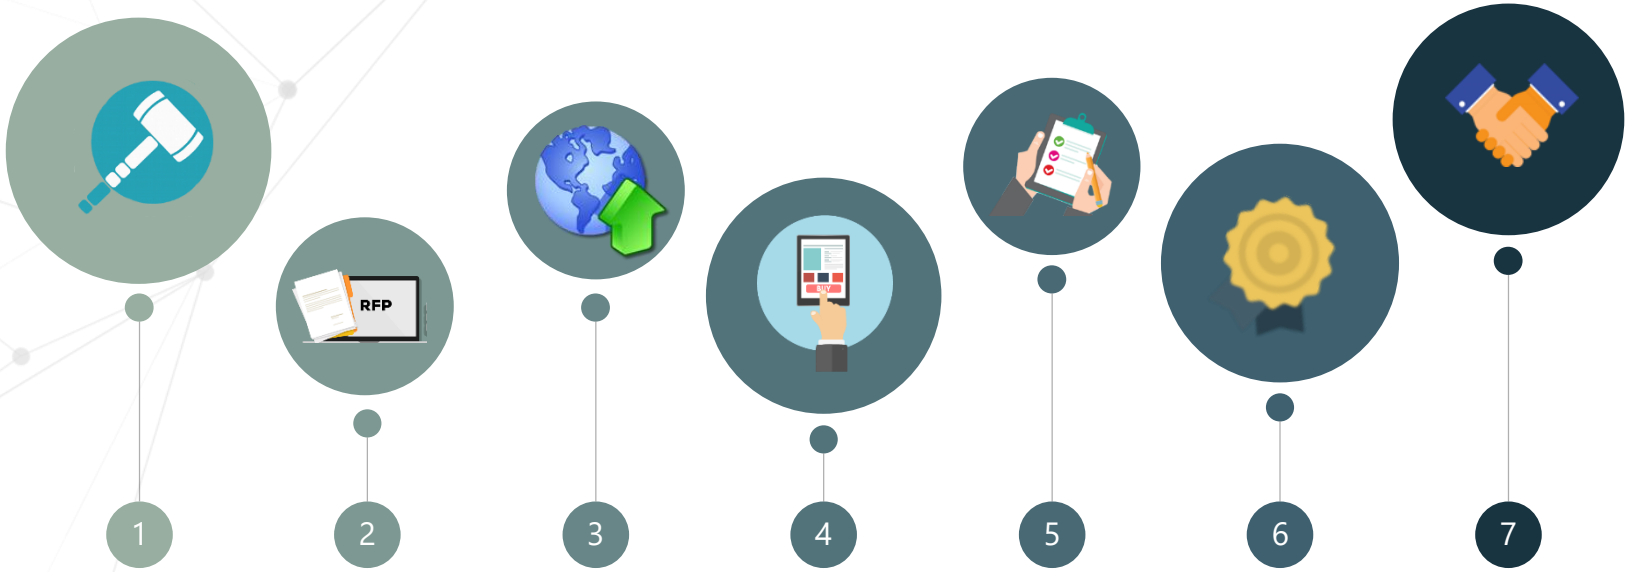
04 Features

05 Demo

Overview

06
Lack of monitoring
01
Process standardization
05
Different owners and stakeholders
Main Pain Areas
02
Decentralization
Manual processes
04
Paper work
03

Definition



RFP
1
Process of managing a tender lifecycle
2
Initiating RFPs and requests
3
Publishing and inviting vendors
4
Receiving proposals
5
Evaluation
6
Selection and Awarding
7
Contract Management

Key Benefits

Norms:
• ISO Compliant
• GDPR

Artificial Intelligence

Culture and tender management local experience

Digital Signature
