Truly Secure

Internal Operations can be tough.

Facilit8 your Business

Facilit8 can streamline your internal business needs into one platform, with a customizable intranet solution to provide a simple, functionable and affordable option to small, medium, and enterprise businesses.

Facilit8 includes several internal services of a business to improve daily operations, including but not limited to:

- HR Requests
- Business Expenses
- Time & Attendance
- Project Management

- Company Documents
- Organizational Chart
- Address Directory
- IT Requests

Why do customers use Facilit8?

- Ease of Operations

- Affordable One-Time License Fee

- Customizable with Brand Identity & Company Needs

- Increase of Visibility into your Business

- Dedicated Platform for All Internal Requirements

- Shared Online Platform for Entire Company Staff to Utilize

Organize your Business Operations

- Dedicated tab for each business operation

- Segmented folders for organization of documentation

- Organizational charts linked to address directory for internal communication

Maximize on your Existing Microsoft Licenses

- Built on the SharePoint platform (included in M365)

- Facilit8 is Integrated with:
  1. Microsoft Planner
  2. Microsoft Teams
  3. Microsoft Flow
  4. Microsoft Outlook
  5. Microsoft Exchange

Prioritize & Streamline your Daily Tasks

- Clearly Identify Tasks Allocated to Each Client

- Visibility into Project Phases & Timelines to Complete

- Data Insights on Resource Expenditure and Time Allocation

Facilit8 helped me create an internal eco-system in my company which was previously non-existent. As a small business, it was tough to find a solution that offered me the internal capabilities I needed at an affordable price. Truly Secure created a platform which helped improve my organization, specifically in regard to expenses, project management, and client segmentation. Mati Consult can now take full advantage of our Microsoft Licensing investment, as Facilit8 makes it easy for us to do so.

Elisa Ruggeri, CEO & Founder, Mati Consult

Truly Secure
