## Facilit8

### Intranet In A Box Solution

# Facilit8 is Built for You – Digitally Revolutionize your Business

Truly Secure

## Challenges

- **A compelling and personalized user experience with 365 engagement and adoption**
- **Expenses, Projects, HR, Time & Attendance management all under one roof.**
- **Focusing on core tasks without spending most of the time in operational tasks and processes**

Clients were having difficulty keeping track of hours worked and billable hours were being lost  
Causing heavy potential revenue loss.

## The Facilit8 Solution

- **Rapid Deployment**
- **Future Proof**
- **Social Collaboration Tool**
- **Cloud Based with 365 Capability**
- **Improved Company Info Navigation**

Facilit8 ensures time and billing is managed efficiently, and resources are optimized for best possible outcome.

Using Facilit8, our clients can manage internal staff HR requirements, and holiday entitlement in a resourceful manner.

## Desired Outcomes

- **Increased Productivity**
- **Improved Search**
- **Efficient and Functioning Organization**
- **Capture More Work Hours in the Same Timeframe**

Facilit8 eliminates the gaps in company billing structure which results in 30% increase in billing for one of our major clients.

Using Facilit8, overall revenue stream increase and more throughput is available from company resources.

## **One Platform for all of your Internal Operations.**

**Expenses, Projects, HR, Time & Attendance. We have you covered.**

### Organize Operations

- Dedicated tab for each business operation
- Segmented folders for organization of documentation

## Customer Success Story – Bond Communications

**“We were in the market for a usable tool to help streamline our work in a more efficient manner for our internal departments. What Facilit8 did for us was far greater than expected and successfully integrated our scheduling, time and expense management, and most importantly, file management. Our team is excited with the changes and engaging more on an hourly basis.”** – Fadi Saab, Bond Communications GM

Bond Communications is a leading ICT/ELV specialist in the Construction/Telecom industry.

- Facilit8 deployed across 200 devices in 2019

### Win Results

**12% in salary savings per year due to increased productivity and system efficiency**

**7.2% retention cost savings with overall increase to employee satisfaction levels**

**6.8% profit increase within same timeframe using the Facilit8 solution.**

## Customer Success Story – MATI Consult

# MATI

**“Facilit8 helped me create an internal eco-system in my company which was previously non-existent. As a small business, it was tough to find a solution that offered me the internal capabilities I needed at an affordable price. Truly Secure created a platform which helped improve my organization, specifically in regard to expenses, project management, and client segmentation. Mati Consult can now take full advantage of our Microsoft Licensing investment, as Facilit8 makes it easy for us to do so – Elisa Ruggeri, CEO & Founder, Mati Consult**

Mati Consult is a business consultancy service for setup and development

- Facilit8 deployed 13 devices in 2019

## Win Results

**Expense Management and Project Management fully integrated**

**Improved work efficiency and more billable work hours per employee**

**Better value for money taking advantage of their existing Microsoft licensing**
