

Customer Success Story – Bond Communications

“We were in the market for a usable tool to help streamline our work in a more efficient manner for our internal departments. What Facilit8 did for us was far greater than expected and successfully integrated our scheduling, time and expense management, and most importantly, file management. Our team is excited with the changes and engaging more on an hourly basis.” – Fadi Saab, Bond Communications GM

Bond Communications is a leading ICT/ELV specialist in the Construction/Telecom industry.

- Facilit8 deployed across 45 devices in 2019

Win Results

12% in salary savings per year due to increased productivity and system efficiency

7.2% retention cost savings with overall increase to employee satisfaction levels

6.8% profit increase within same timeframe using the Facilit8 solution.

Customer Success Story – MATI Consult

MATI

“Facilit8 helped me create an internal eco-system in my company which was previously non-existent. As a small business, it was tough to find a solution that offered me the internal capabilities I needed at an affordable price. Truly Secure created a platform which helped improve my organization, specifically in regards to expenses, project management, and client segmentation. Mati Consult can now take full advantage of our Microsoft Licensing investment, as Facilit8 makes it easy for us to do so – Elisa Ruggeri, CEO & Founder, Mati Consult

Mati Consult is a business consultancy service for setup and development

- Facilit8 deployed 13 devices in 2019

Win Results

Expense Management and Project Management fully integrated

Improved work efficiency and more billable work hours per employee

Better value for money taking advantage of their existing Microsoft licensing
