

40 YEARS OF EMPLOYERS ENGAGING WITH AGENCIES MANUALLY, SOMETHING HAS TO CHANGE!

Introducing the Ubidy Platform empowering talent acquisition teams to drive great efficiencies from agency partners.

Employers can now engage the Ubidy technology platform as a **Single Vendor** with one agreement.

Employers are immediately connected with a **network of specialist Agencies globally** focussing on the regions they need talent.

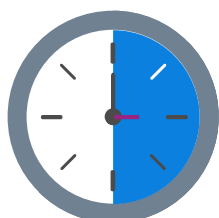

The Employer states the brief and stipulates the fee up front. Agencies apply for review and approval by the Employer. (This occurs all using the Technology)

NO
SUBSCRIBE FEE

There is no setup or platform subscription fee for employers. The only cost due when a successful placement is made (based on Contingent Search).

Employers are also provided full-time account managers at no additional cost to support utilizing the platform.

40 YEARS OF EMPLOYERS ENGAGING WITH AGENCIES MANUALLY, SOMETHING HAS TO CHANGE!

On placement Ubidy invoices the Employer the Fees on 30 day terms. There is a replacement guarantee covering first 60 days from start date.

The competitive nature of the online exchange and the quality of the agencies delivers; access to greater passive networks, **faster recruitment times**, increased conversion rates and management of cost per hire for agency spend.

Employers can invite recruitment agencies to the platform however new agency partners will be subject to a pre-qualification process which can take 3 to 7 days.

Candidate Management and Notification Centre helps users stay on top of the recruitment drives to ensure sourcing needs are achieved on time and in budget.

Through user delegation and real time reporting enables management transparency and visibility in recruitment activity by region, country, department or user. **Robust data captured via the platform assisting management to make more informed decisions.**
