PEOPLE ONE

YOUR DIGITAL WORKSPACE

Bring Your Employees Together
All In One Place

WHAT IS?

PEOPLE ONE

Employee Collaboration in the Digital Workplace

People1 brings in collaborative environment between employees and employer

▶ Get more from conversations – post messages, timelines, poll and much more

▶ Quick snapshot of activities, to dos, meetings in an interesting way

▶ Innovative intranet with latest updates

▶ Top stories posted by team and management

▶ Ease of access to trending documents without hassle

EVERYDAY PAIN POINTS

Access to Work practices, SOPs

Missing Corp Comm.

Missing Bidirectional communication

Lack of access by Mobile Workforce

Finding Information

Finding The Right Person

Digital Migrants to Digital Natives

No effective utilization of Intranet

Real time alerts and notifications
