

FAN HEALTH NETWORK

WHY FAN HEALTH NETWORK?

Our world class technology platform combined with an exclusive agreement through a partnership with the NFLPA to use NFL players in corporate wellness - a key to building a valuable and unique nucleus of influencers that would appeal to NFL and college fans throughout the country and around the globe.

Combined with large corporate sponsor's reach and exclusive relationships with schools, teams and sport assets around the world.

THE MISSION

Fan Health Network was made for sports fans. As the premier destination for wellness programs, Fan Health Network connects teams directly to athletes and sports personalities. Bring engagement and participation to your wellness program.

THE MOVEMENT

JOIN THE MOVEMENT TO CHANGE YOUR LIFE

Fan Health Network connects you directly to professional athletes, sports personalities, and celebrities who want you to improve your fitness, diet, and well-being. Live a strong and healthy life with the pros.

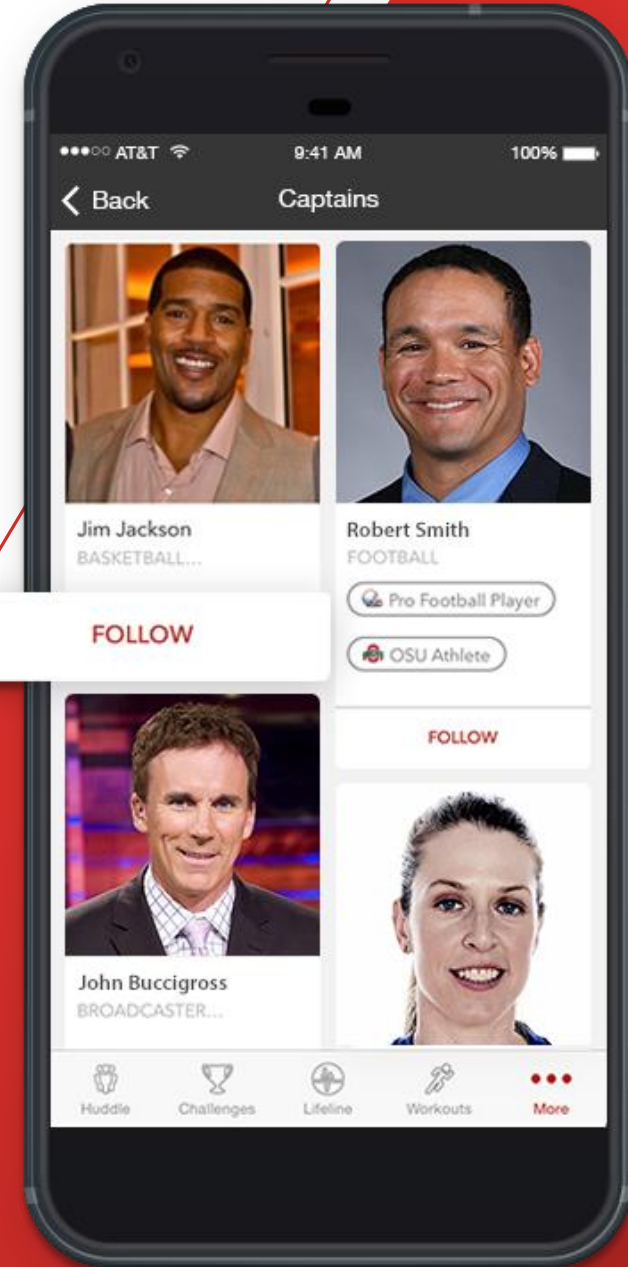

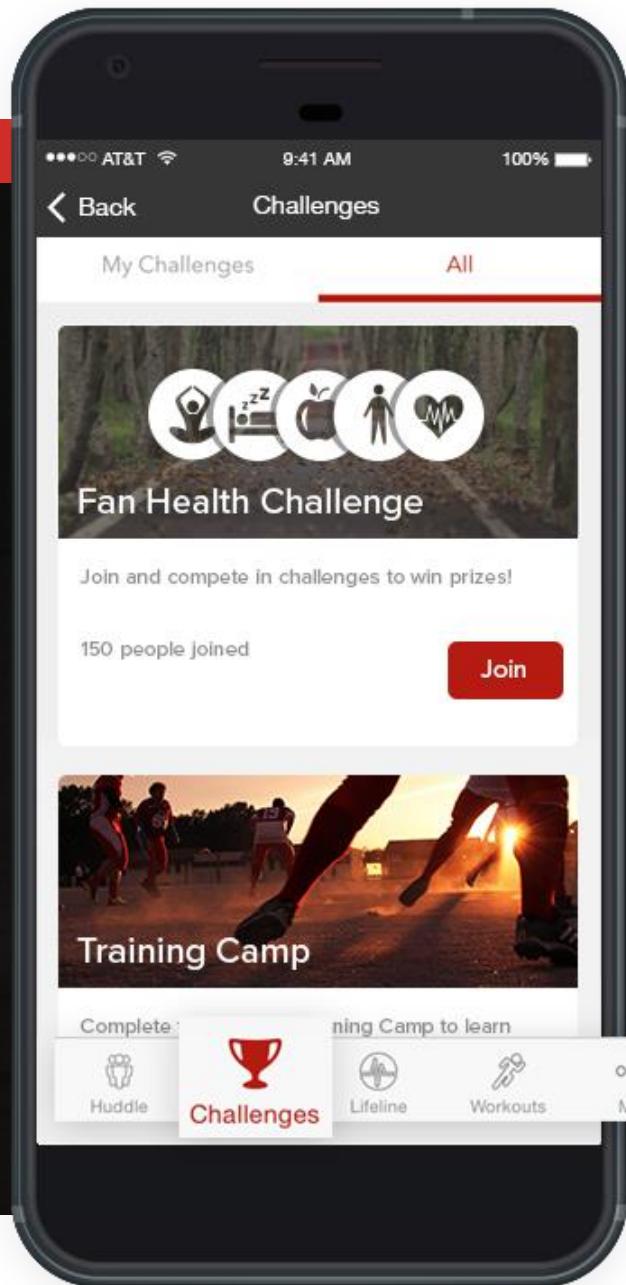

YOUR TEAM

ALIGN YOUR SPORTS PASSIONS WITH WELLNESS

Choose captains from our extensive network of professional athletes, sports personalities, and celebrities.

Follow their tips, recommended workouts, and learn how they maintain a healthy lifestyle.

THE COMPETITION IS FIERCE

Go head-to-head with members of your organization. Climb the ranks within a challenge by earning points and becoming eligible for awards.

Step into the lead by keeping up with Challenge activities and community engagement.

Log workouts to earn points toward Challenge incentives and track your own progress.

Share your healthy living choices with Captains and teammates through daily posts.

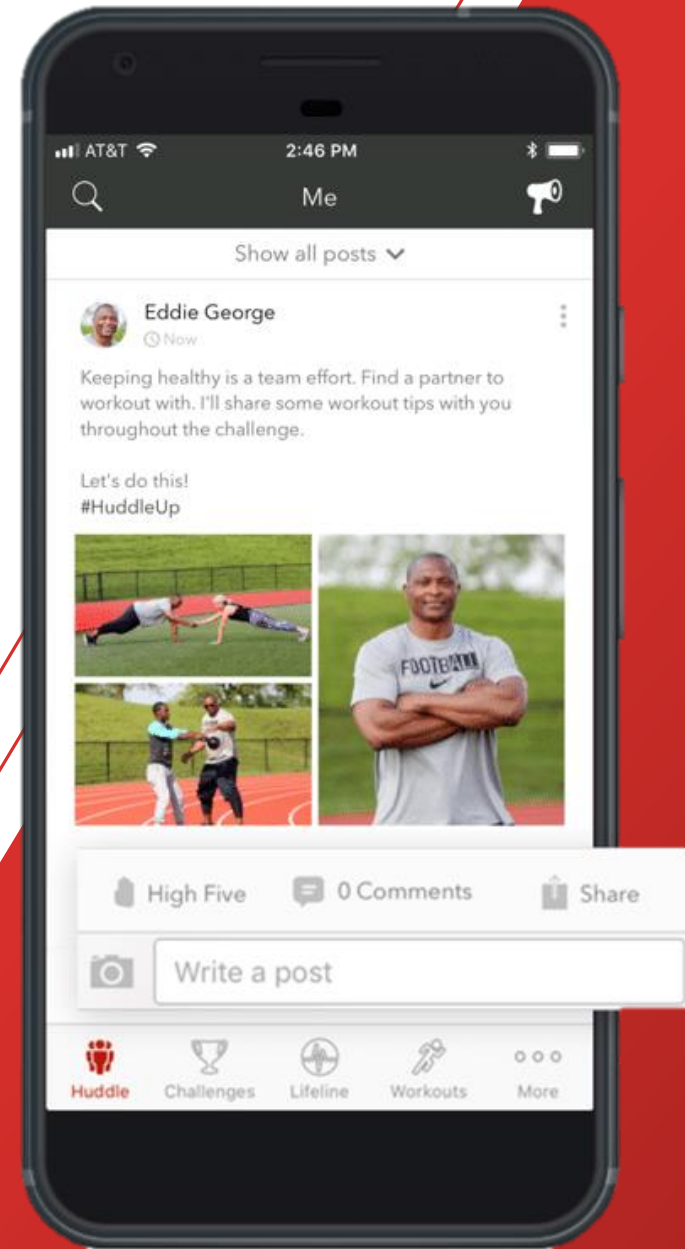

Expand your knowledge with wellness articles, quizzes and surveys designed to improve your healthy living skills.
