

Tax 365

***Dynamics Tax365***

A Simple, Affordable and accurate

General Sales Tax Solution for Dynamics 365

from the Techminds Group, LLC.

One sales tax solution for various business entities to integrate into your Dynamics 365 applications with accurate and timely calculation within the U.S. and Canada. Sales and use tax (SUT) compliance is not just a tax issue; it's a business issue the effects of which impact growth, profit and investment if not accounted for.

**Improve Your Sales and Use Tax Compliance to Grow Your Business**

**This simple interface returns tax rates instantly, calculates the total tax due, generates a map, and shows shared communities within in a single ZIP.**
