TRUEBLUE

M.A.R.C. is the first and only European solution mentioned

AiDEA is the evolution of Customer Relationship Management (CRM), where AI is the foundation that powers operational and analytical solutions based on Microsoft Dynamics 365.

Its native ability to integrate data from multiple sources provides a 360 degrees customer view that allows the implementation of a truly omni-channel strategy. Coupled with M.A.R.C., Trueblue's intelligent and virtual assistant, the result is a dramatically simplified access to information by means of a fully conversational interaction through smartphones and portable devices
