Automobile major Maruti Suzuki has shortlisted four new startups -- Dave.AI, Rezo.AI, Fabrik and ElectreeFi -- for the second cohort of its MAIL (Mobility and Automobile Innovation Lab) programme. The top three -- Dave.AI, Rezo.A and Fabrik -- will get an opportunity to undertake a paid proof of concept with Maruti Suzuki for actual business use.

#### YOURSTORY

/ SMBStory YourStoryTV More -

A customer is the most crucial for any business enterprise. Today, with the evolution of the digital economy, a number of things have changed for the end customer - from buying grocery online to availing loans.

Realising there were processes that can be automated to a great extent to enhance the customer experience, IITian couple Manish Gupta and Rashi Gupta started Rezo.ai in 2017.

# TEAM
