

DIGITAL PLATFORM: SAVIC DriShti® (AI ML & ANALYTICS)

Solution Overview

A **Cloud** based **Digital Control Room Platform** which provides Real-time 360 Degree visibility from new and existing systems to disruptively enhance customer, partner, employee & statutory experiences, thereby leading to increased profits, reduced wastage and loss across the Enterprise.

Enterprise-grade AI & Predictive Analytics offering that leverages advanced Machine Learning (ML) techniques such as vision, semantics, language sequence to help customers across industries to derive insights from their various business models.

What SAVIC DriShti® Digital Platform can Do

Enabling Digital Automations that enhance operational excellence, growth, performance, and business innovation in the areas of sales & marketing, operations & supply chain procurement, people & hiring, finance.

Customer Experience (Sales & Marketing) - Re-align entire business approach to your customer ecosystem by bringing digital journey, data through analytics, well planned customer management and our platform implementation expertise to disruptively enhance your customer experience. SAVIC DriShti® merges business roadmap with customer insights and experience planning to help you to create digital transformation of employee and user experience that leads to enhanced customer experience.

Partner Experience (Operations & Supply chain procurement) - Bring in power of digital transformation to reality and create an intelligent enterprise. SAVIC DriShti® can help you create more integrated operations, ensure key assets running, create improved operational efficiency and reduce costs. Wherever you are in your digital transformation, SAVIC will partner with you to deliver the AI-powered accurate data availability with context aligned, consultative services required for more long lasting business operations.

Employee Experience (People & Hiring) - Today's enterprises need to focus on the most valuable resources - its employees. SAVIC DriShti® helps enterprises to leverage AI and automation in enhancing employee efficiencies in day to day operations, thus drive all HR initiative to realize immediate value. Working together, SAVIC can transform talent management into a continuous cross skilling & up skilling learning experience.

Statutory Experience (Finance) - SAVIC DriShti® can help you in leveraging the processes around people, policies and technology to digitally transform your finance functions and enable the next generation working models, which in turn ensure continuous business growth.
