Optimize Frontline Worker impact with our solution to digitally enable your entire workforce

Equip your frontline workers with agile shift scheduling tools, deeper communication capabilities, and seamless task management—all in a single, intuitive user experience.

- **Create a single hub for teamwork**
  The platform that industries trust to have the right tools in a single experience.

- **Build deeper connection across your organization**
  Share more across corporate and frontline workers with real-time feedback and communication.

- **Meet changing business needs**
  Get an extendable experience with the workforce management tools you already use—Microsoft Teams fits your industry and company needs.
Frontline Worker Workshop Overview

Designed as a three-phase engagement, together we'll work through various Frontline Worker challenges and pain points to identify the top prioritized scenarios for your Frontline Workforce. After assessing needs, we'll develop solutions that are relevant to your unique business challenges and define an actionable roadmap.

Prepare

- Understand the opportunity for Frontline Workers
- Identify executive sponsors and business stakeholders
- Share information about your organization

Envision

- Envisioning the Art of the Possible
- Experience solutions first-hand
- Identify Frontline Worker challenges and pain points
Design and Plan

- Deep dive on Frontline Worker challenges and map these to scenarios
- Develop a strategy
- Get a tailored success plan based on your scenarios

Frontline Worker Workshop Goals

Our Frontline Worker Workshop for Microsoft Teams shows scenarios and the art of the possible that transform how you connect your workforce, digitize manual processes, accelerate onboarding, and empower your Frontline Workers with purpose-built devices while protecting your business.

- Assess your frontline workers needs

- Speed outcome using customer immersion experience

- Develop a solution plan addressing frontline workers business challenges

Frontline Worker Workshop Outcomes

- Identify potential blockers and challenges for your frontline workers

- Deliver a prioritized, actionable plan to quickly address your frontline worker needs

- Understand how to empower frontline employees to stay connected, productive, trained and upskilled through various productivity scenarios while maintaining security and control.

You'll walk away with a better understanding of challenges facing your Frontline Workers and a prioritized, actionable plan based on your specific use cases and desired business outcome.
