

Azure Migration Services

Seamlessly Migrate Your Infra & Applications to Azure

For those looking for hybrid cloud implementation options, Microsoft Azure is the most well-known cloud computing provider that offers organizations to take advantage of the new services/features, optimize costs, and compel enterprises to **migrate to Azure**.

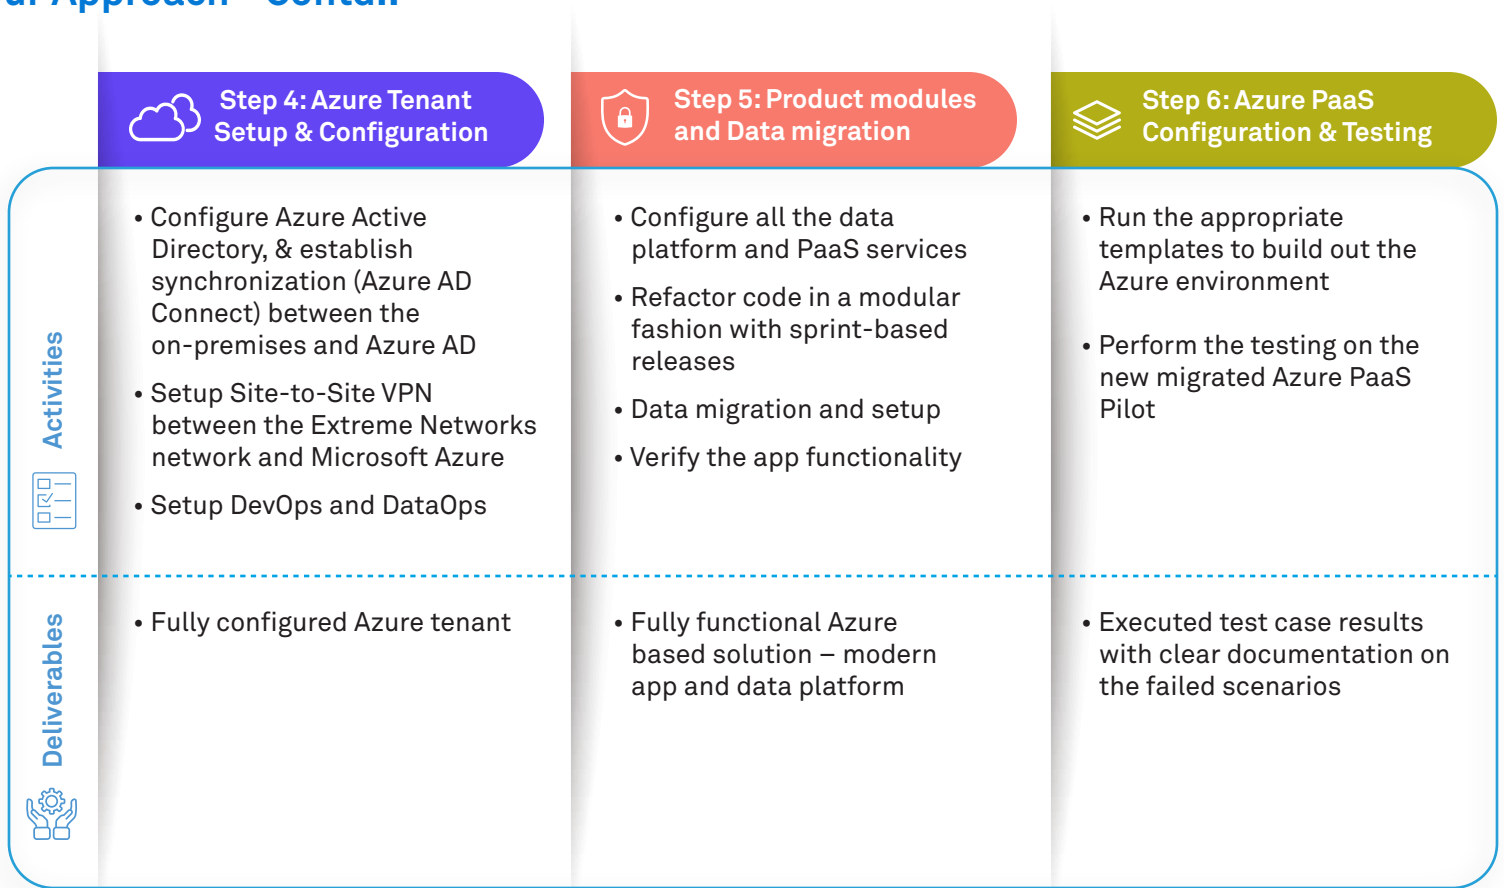

Accelerate Azure Migration at Reduced Risks & Costs

WinWire, a Data-driven Digital Engineering company, evaluates your current environment by leveraging state-of-art tools and combining our experience from large-scale migrations to build a comprehensive roadmap for Azure Migration.

Our Approach

	 Step 1: Analyze Current Environment	 Step 2: Stakeholder Discussion	 Step 3: Azure PaaS Pilot Design
Activities 	<ul style="list-style-type: none"> Analyze current VM configurations - Specifications, and dependencies & capacity utilization Analyze the current network configuration & utilization Analyze the current firewall rules and configuration Analyze current SSL certificates requirements 	<ul style="list-style-type: none"> Define the objectives Understand the current system features Content that needs to be migrated vs discarded Archival & Compliance needs Likes / dislikes of features Business prioritization of product modules Gather inputs for scoping phase-wise 	<ul style="list-style-type: none"> Map existing resources/ functions to appropriate PaaS components on Azure Review the proposed Azure architecture, and provide recommendations Identify various components on Azure Prepare detailed data and schema migration from existing components to Azure
Deliverables 	<ul style="list-style-type: none"> Assessment report for the existing infrastructure 	<ul style="list-style-type: none"> Produce the SWOT analysis 	<ul style="list-style-type: none"> List of components being deployed VNETs Networking details Templates for automating the Azure deployment Security configurations & network restrictions

Our Approach - Contd..

Features

Granular control to discover, assess and migrate resources

Customizable recommendations to fit requirements

Accelerated value realization and automation in migration process

Why WinWire?

- Finalist in Microsoft Partner of Year Awards 2021 for Cloud App Modernization
- Microsoft Managed Partner with 14 Gold Competencies
- Microsoft Azure certified Consultants
