

ESTABLISH DESKTOP ENVIRONMENTS IN THE CLOUD

# WINDOWS VIRTUAL DESKTOP QUICKSTART

10<sup>TH</sup> MAGNITUDE

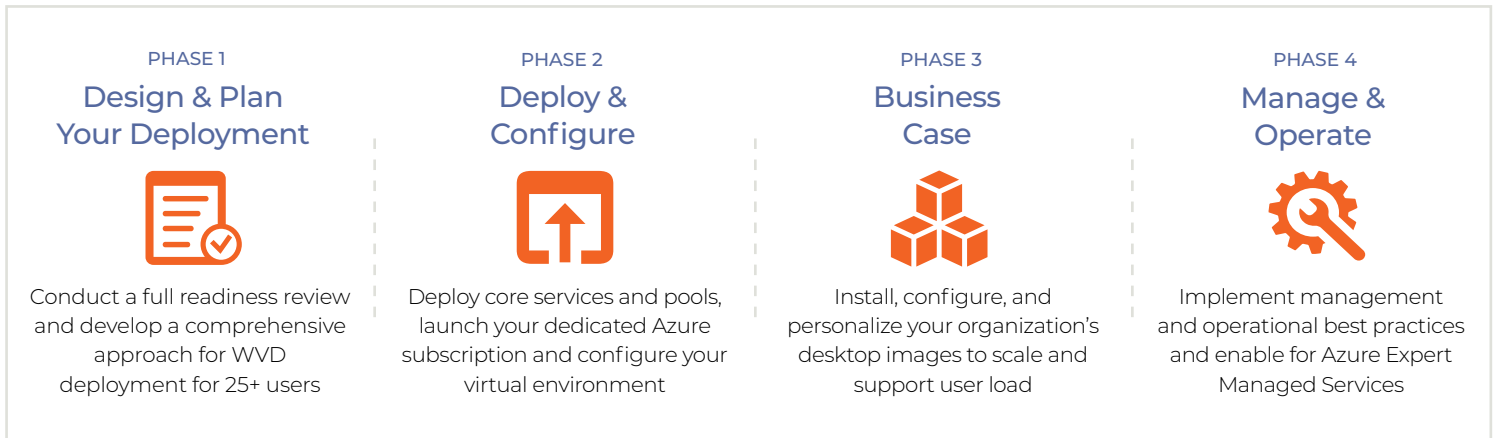

Powered by:

Accelerate your organization's Windows Virtual Desktop (WVD) deployment to support remote operations and desktop scenarios in the cloud. Provide a familiar Windows 10 user experience throughout your business that's available anytime, anywhere and across multiple devices and operating systems.

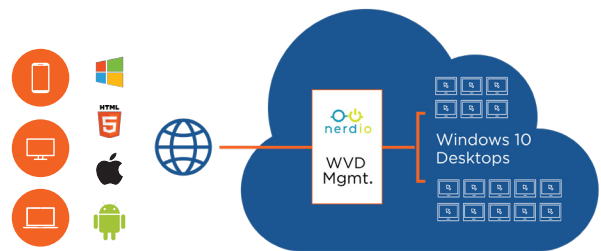

## ENGAGEMENT DETAILS & OPTIONS

Our award-winning team of Azure-expert architects and engineers will quickly launch your desktops and business application into the cloud to enable remote operations, utilizing best practices from Microsoft and 10th Magnitude.

## ENGAGEMENT RESULTS

At the conclusion of this engagement, your organization will have a production-ready WVD environment deployed and configured for 25+ users with both multi- and single-session desktop pools. Azure networking and connectivity will be established, and baseline operations deployment implemented by Azure experts.
