eGroup
together we make IT happen

THE MOST POWERFUL BUSINESSES ARE THE ONES THAT STAY ON
and on and on...

It's hard to imagine the impact of a disaster until it happens
to your organization, your business, your customers.

LOST DATA.
LOST TIME.
LOST MONEY.
LOST TRUST.

IT'S LOSS ON A GRAND SCALE.

Add to that the stress of trying to recover data and get back up and running in record time.

FEELING UNPREPARED?

There is a better way

A faster, more secure, cloud-based way to protect your mission-critical data and systems, and a way to test that protection – continuously – without interruption.

Meet IT Resilience from eGroup.

ONLINE, ALL THE TIME

Protection for your mission-critical data and systems, and the ability to test that protection – all without any interruption to your business or customers.

FASTER

IT Resilience is software, so there's no expensive equipment, secondary data center facilities, or complexity to slow things down.

MORE COST EFFECTIVE

A pay-as-you-go subscription service, IT Resilience saves you money in upfront acquisition costs, long-term maintenance, and equipment.

PROTECT & RECOVER MULTI-TIER APPLICATIONS

Quick, safe recovery of entire applications, including components running on different servers and storage.
