CODEC EMPOWERING BUSINESS

Microsoft is proud to acknowledge

CODEC

As an Azure Expert MSP

Azure
Expert
MSP

To join the Microsoft Azure Expert MSP programme, partners must meet a stringent set of requirements, including verified proof of excellence in customer delivery, technical expertise, and the successful completion of an independent audit of their managed services, people, processes, and technologies. Only the most high-fidelity cloud managed service providers are awarded the Azure Expert MSP badge, intended to give customers confidence when selecting a partner to help them meet on their Digital transformation goals

Demonstrated Extensive Skilling

Having attained Gold Cloud Platform status and have a minimum of 15 full-time employees who have passed exams designated by Microsoft to demonstrate technical expertise in Azure

Delivered Customer Success

Are committed to customer success on Azure through high-fidelity managed services, validated through customer experience and case studies.

Invested in Advanced Support

Have access to advanced Microsoft support offering to help resolve issues quickly and effectively.

Validated People, Process & Technologies

Have passed a stringent 64-step audit carried out by an independent auditor which validated their people, processes and technologies for delivering robust managed services on Azure.
