

# Cloud migration platform

Automate journey to the cloud in a faster and risk-free way

The question is not whether we should move to cloud or not. But how fast and securely can we? Enterprises demand visibility and accountability on their migration journey.

Integrated platform to accelerate journey to cloud - provides actionable insights across all phases - from discovery to assessment to migration

Cloud agnostic pre-built templates and test cases bring higher level of automation

Goes a step further, by managing cloud operations through Wipro's Cloud Operations Center

Integrated platform to accelerate journey to cloud

## Key benefits

One stop solution for migration

Seamless application migration across multi-cloud environments

Reduces human intervention

Minimizes migration risk

## Pluggable architecture and integrates with majority of industry-leading discovery and migration tools
