

# The journey to Microsoft Certified: Azure Network Engineer Associate

Get started at  
[aka.ms/AzureCerts\\_NetworkEngineer](https://aka.ms/AzureCerts_NetworkEngineer)

## Start here

Decide if this is the right certification for you

### This certification is a good fit if your responsibilities include:

- Recommending, planning, and implementing Azure networking solutions.
- Managing networking solutions for performance, resiliency, scale, and security.
- Deploying networking solutions by using the Azure Portal and other methods, including PowerShell, Azure Command-Line Interface (CLI), and Azure Resource Manager templates (ARM templates).

**First, make sure your skills are up to date.**

**Need to update your skills in Azure administration?**  
[Choose Azure administrator training.](#)
