

# 1 Day workshop

## Microsoft Viva Insights Workshop

Discover **Microsoft Viva Insights**, which helps individuals, managers, and leaders gain personalized insights and actionable recommendations that help everyone in your organization thrive. Microsoft Viva Insights is one of the Microsoft Viva modules laid on top of the Microsoft Teams interface which is part of Microsoft 365 applications.

The workshop consists of an in-depth exploration of personal, manager, and leader insights and helps build a business case for further exploration. The workshop will guide you on functionalities of Microsoft Viva Insights as seen in the lens of Microsoft Teams.
