OKR & Goals

This allows a user to view their OKRs, set new ones, see those completed or ongoing. Fitting with transparency principle, users can also see their peers' OKRs. This feature is also broken down into "My OKRs" and "Company OKRs" making sure everyone is aligned.

How does Twiser improve efficiency?

Güntulu Peker CHRO

"We are in a dynamic and fast industry. We give great importance to being proactive and creative as well as getting effective results. The importance of performance management in this sector comes from its sphere of influence"

Seda Kayrak Kızıltan Group CHRO

"Our system turned into a platform where we can demonstrate the value our employees add throughout the year, and evaluate the unplanned business tasks that they implement along with the objectives set in the interim period"

sahibinden.com

Alper Tokalp CHRO

"Belief in a common vision, common goal, sincere cooperation environment, strengthening the passion for the objectives are our main strategic priorities"

BOYNER

Çağlar İçer Chief of Staff

"Knowing the goals of different teams and departments at Insider keeps them together"

Ersin Yıldırım **Consulting and Projects Director**

"Twiser's framework gives more initiative to employees and shows what their contribution to the big picture is"

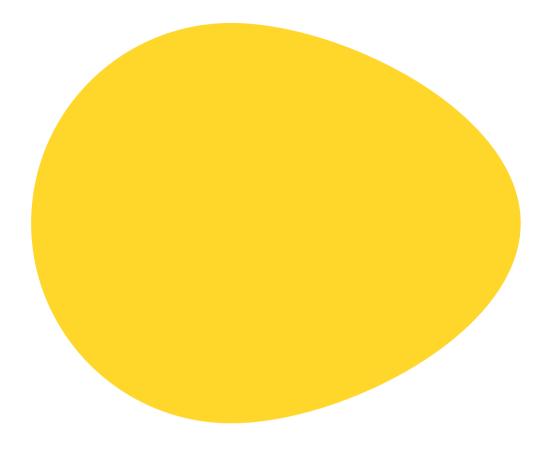

Aziz Revnaki Human Resources Director

"A system integrated with OKR is a mapping of how you can achieve your goal end-to-end. We think we can achieve this with Twiser"

YILDIZ 🛨 HOLDING

Sharing goals, celebrating results Thank you!
