NetApp Cloud Volumes ONTAP for Azure

Enterprise storage in cloud with high-performance NAS & data management services.

Manage your hybrid workloads with Kyndryl + NetApp CVO for Azure

See what analysts are saying:

In 2022, more than $1.3 trillion in enterprise IT spending is at stake from the shift to cloud, growing to almost $1.8 trillion in 2025. Ongoing disruption to IT markets by cloud will be amplified by the introduction of new technologies, including distributed cloud.

Gartner, February 2022

WHAT WE OFFER

As the world's largest IT infrastructure services provider, Kyndryl is a global leader capable of delivering for organizations seeking innovation by leveraging public, private and hybrid cloud environments. We are proud to be recognized as a Microsoft Azure Expert MSP partner and we offer a wide range of services to drive your adoption and journey with NetApp Cloud Volumes ONTAP.

Use cases:

- Cloud Native Storage – Fully featured unified file sharing for business-critical applications.

- Test/Dev Env. – Leverage FlexClone technology without expanding storage footprint.

- Storage Tiering – Policy-driven data tiering for cold data. Reduces overall storage costs.

- Data Migration – Quickly migrate applications and run apps and file services in the cloud

- Disaster Recovery – DR for both on-premises & cloud workloads.

Why Kyndryl?

kyndryl.

- Kyndryl has decades of experience working with customers to deliver enterprise-grade workload analysis, migration, implementation, and managed services for the most complex workloads

- Kyndryl has the people, processes, and technology to help organizations progress their digital transformation journey using intelligent data and AI-driven insight
