# incare

Personalize care and Integrate teams.

Tired of wading through complicated EHRs and excel sheets? So are we. Seize the nanosecond and get automated care delivery that helps boost your clinical outcomes with InCare, the industry's most advanced care management and coordinated care offering. InCare provides a wide range of solutions to help care teams simplify redundant tasks and bridge care and coding gaps. Deliver seamless patient experiences by empowering care teams with data driven insights. InCare is the most effortless way to reduce manual efforts and focus on what's most important: your patients.

Improve patient engagement and deliver better care outcomes.

InCare automates worklists to support care plans and close gaps in care, improves communication between physician and care teams within the EHR workflow, and generates quantifiable reports to measure and track impact. With detailed patient 360 profiles, patient care activity timelines, medication adherence reviews, and more, Incare allows you to spend more time with your patients and less time with your inbox.

"Insights. Case Management. Reports. All in a moment's work.

innovaccer

Care as One.

About Innovaccer

Innovaccer is a leading San Francisco-based healthcare technology company committed to making a powerful and enduring difference in the way care is delivered. The company leverages artificial intelligence and analytics to automate routine workflows and reduce manual overhead to facilitate more patient-centered care. Its KLAS-recognized products have been deployed all over the U.S. across more than 1,000 locations, enabling more than 25,000 providers to transform care delivery and work collaboratively. Innovaccer's Data Activation Platform has been successfully implemented in healthcare institutions, government organizations, and corporate enterprises including Catholic Health Initiatives, MercyOne, Orlando Health, Hartford Healthcare, and Stratifi Health. By using the connected care framework, Innovaccer has unified 3.8 million patient records and generated more than $400M in savings.
