Our Mission

To accelerate global commerce through real-time payments

Our Vision

To be a global leader in real-time payments

Our Purpose

To create global prosperity through real-time payments

THE LEADER IN REAL-TIME PAYMENTS

ACI Worldwide is a global software company that provides mission-critical real-time payment solutions to corporations. Customers use our proven, scalable and secure solutions to process and manage digital payments, enable omni-commerce payments, present and process bill payments, and manage fraud and risk. We combine our global footprint with local presence to drive the real-time digital transformation of payments and commerce.

ACI at a Glance

ACI Worldwide powers digital payments and banking for more than 6,000 organizations around the world. We have more than 45 years of payments expertise and customers in 95 countries, including:

- 19 of the top 20 banks worldwide
- 80,000+ merchants directly and through PSPs
- 5,000+ organizations utilizing our electronic bill payment solutions
- 1,500+ banks, intermediaries and merchants preventing fraud with our solutions

Our broad and integrated suite of electronic payment software solutions enables payment processing for:

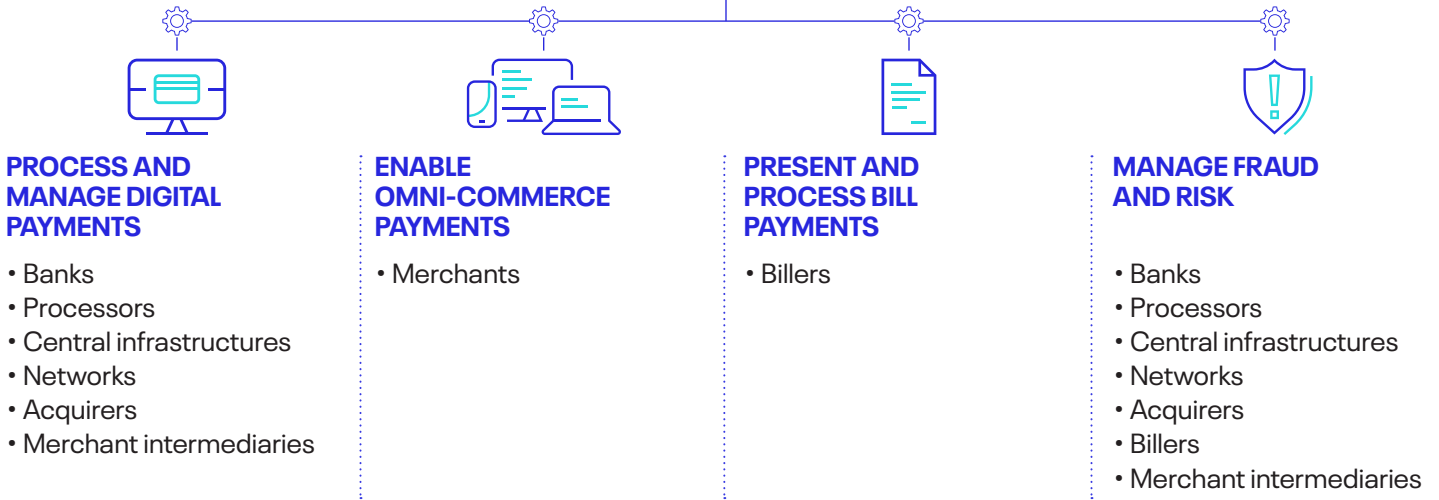

- 225+ billion consumer transactions each year
- \$14+ trillion in payments and securities transactions each day
- >500 million bill pay transactions annually

We support thousands of customers in the public, private and hybrid cloud globally.

Our global technical support team of more than 300 individuals delivers:

- 24x7x365 technical support for ACI software in production
- Customer assistance through web, phone and email
